## Lent banners for adornment *(Optional)*

These are printed-to-order items you could display in your worship space or church. You might incorporate these into your altar design (perhaps as a Communion Table cloth or parament for the pulpit) or display them near an entrance or gathering space. **Please note:** there are two different sizes and each banner is made of different materials, so please read the descriptions carefully.

- **Small banner** (flag material, with grommets)
